

Unit 12 – Checking and confirming (in space)

1- Before watching the video:

Would you like to be an astronaut?
What would be your advantages?
And your disadvantages?

Homer Simpson is now an astronaut in space. He's in a spaceship with two other guys. Read the following sentences and put them in the correct order:

Example:

Homer: It's beautiful. It's the most odd inspiring site I've ever seen. Giver of life. Mother if I saw ...

Number: 1

Guy 1: Homer, no!

Guy 2: They'll clog the instruments!

Number:

Homer: I'll take care of it.

Number:

Guy 2: You fool, that way we may never know if ants can be trained to sort tiny screws in space!

Number:

Homer: Hey guys, look what I smuggled aboard.

Number:

Guy 2: Careful, they're ruffled!
